Flying Bess and Star of Bethlehem were both right there. May Beach and Eva Rice showed early speed. Benneville did not run his race.

The first volume of 1899 Annual Racing Form, containing the charts from January 1 to July 1, 1899, in soft morocco covers, with a linen paper index lettered and reinforced for hard use, is ready for delivery. The Yearly costs \$20. Vol- ume 2 will be delivered to subscribers by Jan- uary 5, 1900. The two volumes of the Annual will not be sold separately. There are a few special term books for sale on order, however

RACING FORM'S SELECTIONS.

DAILY RACING FORM has no private infor- mation. It seeks none. Its calculations over the horses as they are grouped daily at various racetracks are purely those of general perform- ance and ability as shown by the records and the application and knowledge of its editors and the reports of its correspondents. These calculations are printed daily. Nothing is hidden. All that the staff of the paper knows is put into type. If the selections made nightly are sought by persons outside the daily delivery lines of the paper they will be sent by Western Union night rate messages (collect) at \$5 per track per week. Such service is not solicited, but if it is considered valuable, will be per- formed.

THE AMERICAN SPORTING MANUAL

The American Sporting Manual of 1899 is on general sale. It is a record of the turf, billiards, pugilism, trotting, racing and all the leading lines of sport up to January 1, 1899. All the matter within its pages have been compiled and edited by experts. It prints a list of all the turf and track records (by DAILY RACING FORM's staff), billiard fig- ures, past and present (by John Thatcher), the fights of 1898, with comments (by George Siler) harness records to date and of the past (by John Hervey, the statistician of The Horse Review) and three handicap tables, with direc- tions for their application and expert comment. The Manual, in paper covers, sells at 30 cents and in soft morocco covers at 50 cents.

NOTICE.

DAILY RACING FORM is a publication which is built by its staff from day to day. Its "form" and the numbers of its charts are copyrighted. The chart numbers are so arranged that legal identification is easy of proof. The selections and handicap figures attached to entries are arranged on the same basis. The latter come from the work of four experts after the tele- graphic receipt of charts and entries. All per- sons are warned not to use said chart or index numbers, selections or handicap figures.
